We don't know if they were skilful carriers, the sea was quiet, or the game just wanted to be played as early as possible, but the fact is that last week our warehouse in Madison reported that Pictomania landed!. Usually it takes almost 2 months just to ship a container full of our games from one side of Atlantic Ocean to the other.

Business war gaming (Corporate war gaming) or business wargaming is an adaptation of the art of simulating moves and counter-moves in a commercial setting. Unlike military war games, or fantasy war games which can be set hundreds of years in the past, business war games are usually set in the present and are a relatively recent development, but they are growing rapidly.
