### **Once Upon A Time Collection**

Very nice collection of fairy tales! I was also pleased that this book came in a hard cover. As 'Once Upon A Time' is one of my favorite TV shows, I had to get this book and revisit some of the classic fairy tales I read as a child. I look forward to reading this.

I recently read "Ever After High: Once Upon a Time: A Story Collection" by Shannon Hale. I personally found this book a bit boring and confusing. The book was about fairy tale characters children. It constantly skipped from person to person and confused me.
