Old age refers to ages nearing or surpassing the life expectancy of human beings, and is thus the end of the human life cycle. Terms and euphemisms include old people, the elderly (worldwide usage), seniors (American usage), senior citizens (British and American usages), older adults (in the social sciences), and the elders (in many cultures—including the cultures of aboriginal people).

horizontal ridges: some follow after serious illness (left, eg.) and some are benign (eg. right). see below: Jane is wondering why, "My right thumb has been like this for a few years now and my left thumb has started presenting the same growth in the last few months." I have no intelligent ideas, but wondered if any readers out there may have some thoughts?
