Simply Visual Basic 2010 Reloaded

Writing custom visualizers for Visual Studio 2005. The native debugger in Visual Studio has long had an underadvertised feature called autoexp.dat, which is a file in the PackagesDebugger folder that allows you to control several aspects of the debugger. Among the features that you can control in autoexp.dat include: the string that is displayed for types in the variable panes, which functions ...

Quite a bit! The next few sections explain what I changed and why I changed it. I've left the default list styles in place simply as a personal preference. I tend to add the list style back when using Eric's reset anyway. I have, however, included `nav ul {list-style:none;}` to remove those pesky ...

HTML5 Reset Stylesheet | HTML5 Doctor

The term "Adventure game" originated from the 1970s text computer game Colossal Cave Adventure, often referred to simply as Adventure, which pioneered a style of gameplay that was widely imitated and became a genre in its own right. The video game genre is therefore defined by its gameplay, unlike the literary genre, which is defined by the subject it addresses, the activity of adventure.

A not always very easy to read, but practical copy & paste format has been chosen throughout this manual. In this format all commands are represented in code boxes, where the comments are given in blue color. To save space, often several commands are concatenated on one line and separated with a semicolon ';

This is an introduction to R ("GNU S"), a language and environment for statistical computing and graphics. R is similar to the award-winning S system, which was developed at Bell Laboratories by John Chambers et al. It provides a wide variety of statistical and graphical techniques (linear and ...

An Introduction to R

One of the largest cost drivers in running a service like Flickr is storage. We've described multiple techniques to get this cost down over the years: use of COS, creating sizes dynamically on GPUs and perceptual compression. These projects have been very successful, but our storage cost is still significant.
