Character Design Art Prompt Idea Generator - ConceptStart.net

Dynamic characters promise to take a story's audience on a journey. The key issue to understand is that it is because characters in stories act out to resolution and fulfillment issues of human need that they engage the attention of an audience. When introducing a story's characters, then, writers need to suggest in some way that their characters are "ripe."

Assemblage is an artistic form or medium usually created on a defined substrate that consists of three-dimensional elements projecting out of or from the substrate. It is similar to collage, a two-dimensional medium. It is part of the visual arts, and it typically uses found objects, but is not limited to these materials.

Assemblage (art) - Wikipedia

A dynamic character undergoes substantial internal change — in personality, attitude, or worldview — over the course of the narrative. In contrast, static or flat characters don't develop in this way; their beliefs do not evolve and their personalities remain the same. Protagonists, antagonists, and minor characters can all be dynamic.

Dynamic Characters: Definition and 10+ Examples (With ...

Art is a diverse range of human activities in creating visual, auditory or performing artifacts (), expressing the author's imaginative, conceptual ideas, or technical skill, intended to be appreciated for their beauty or emotional power. In their most general form these activities include the production of works of art, the criticism of art, the study of the history of art, and the aesthetic ...
