Name. Family and consumer science was previously known in the United States as home economics, often abbreviated "home ec" or "HE". In 1994, various organizations, including the American Association of Family and Consumer Sciences, adopted the new term "family and consumer science" to reflect the fact that the field covers aspects outside of home life and wellness.

oh, book lists. they kill me. the problem with book lists is that you have to narrow things down to an actual manageable list. I have problems with decision making, especially when it comes to rather minuscule things like milkshake flavor, hot or iced coffee, and which books to put on my book list.

What really amazes me is that I had an infection that was SO BAD that it took my entire fingernail as a casualty (a new one is growing underneath - cool and so gross simultaneously), but a couple of drops of high-quality melaleuca oil killed the infection in mere hours (after weeks of suffering).. I've seen some good results from using EO's since I was first introduced to them last fall.
