

The Philosophical Breakfast Club Four Remarkable Friends Who Transformed Science And Changed World Laura J Snyder

The Philosophical Breakfast Club Four

The Philosophical Breakfast Club recounts the life and work of four men who met as students at Cambridge University: Charles Babbage, John Herschel, William Whewell, and Richard Jones. Recognizing that they shared a love of science (as well as good food and drink) they began to meet on Sunday mornings to talk about the state of science in Britain and the world at large.

Download [PDF] The Philosophical Breakfast Club Four ...

The Philosophical Breakfast Club. Taken at face value, these four savants could have brought science to almost any century, surely any period after the Renaissance. Snyder does point out that people limited the size of their families in order to be able to afford the many new consumer goods, the inexpensive luxuries of mass production.
