Towards Collective Liberation Anti Racist

Racism is the belief in the superiority of one race over another, which often results in discrimination and prejudice towards people based on their race or ethnicity. The use of the term "racism" does not easily fall under a single definition. The ideology underlying racism often includes the idea that humans can be subdivided into distinct groups that are different due to their social behavior ...

Racism - Wikipedia

Institutional racism (also known as systemic racism) is a form of racism expressed in the practice of social and political institutions. It is reflected in disparities regarding wealth, income, criminal justice, employment, housing, health care, political power and education, among other factors.. The term "institutional racism" was coined and first used in 1967 by Stokely Carmichael (later ...

Feminism and Race in the United States. This article traces the history of U.S. mainstream feminist thought from an essentialist notion of womanhood based on the normative model of middle-class white women's experiences, to a recognition that women are, in fact, quite diverse and see themselves differently.
