Joel is mistaken when he says that as of means "up to and including a point of time," although it is often used to mean so.. As of designates the point in time from which something occurs. So as of some point would mean from the date specified onward.. However, his answering of the best way to say each phrase is spot on. One may use either until or up to to mean the time before which something ...

The gerund looks exactly the same as a present participle, but it is useful to understand the difference between the two. The gerund always has the same function as a noun (although it looks like a verb). Some uses of the gerund are covered on this page. A separate page deals with verbs that are followed by the gerund.
